

Disk Doctors Photo Recovery Software Activation Manual for MAC (32-bit System and Power PC)

Once the installation of **Disk Doctors Photo Recovery Software** is completed, follow these simple steps to activate it. This guide's instruction applies on Photo Recovery Software of **Disk Doctors Labs Inc**.

Online Activation:

Online activation (Instant) is the fastest method to activate Disk Doctors Photo Recovery software. However, this method requires;

- a) Internet connection on the computer where the software is installed.
- b) "License Key" that you received in the order email after software purchase.
- c) "Machine Code" (generated by the software and transferred automatically to activation server)
- d) Order ID, received after software purchase.

Follow the steps mentioned below to activate the software online.

 \cdot Before starting the activation, make sure that your internet connection is working.

 \cdot Launch Disk Doctors Photo Recovery software. Click on "Register" button, which opens up the buy page of Disk Doctors Photo Recovery software and also the Activation sheet as shown in Figure below.
