

## Disk Doctors Software Activation Manual for MAC

Once the installation of **Disk Doctors Data Recovery Software** is completed, follow these simple steps to activate it. This guide's instruction applies on all MAC operating system products of **Disk Doctors Labs Inc.**

### Online Activation:

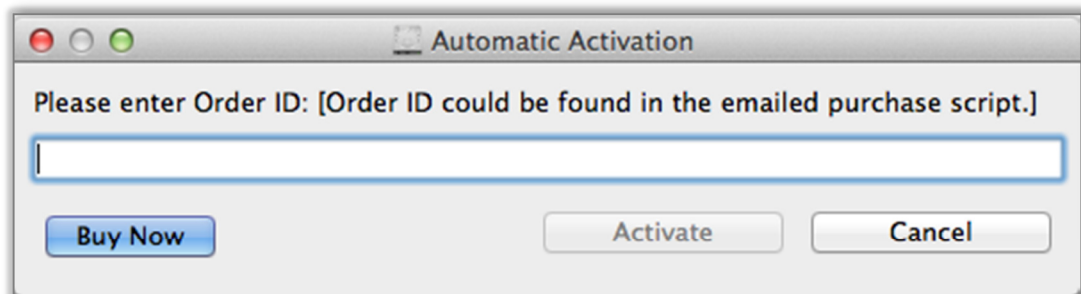

Online activation provides the way to instantly activate the software. Your computer must be connected with the internet.

#### Step 1:

In the **Activation** menu click **Online Activate**. A pop-up will appear on the screen.

#### Step 2:

Enter your **Order-ID** and click the **Activate** button. Order-ID can be found in software purchase receipt email.

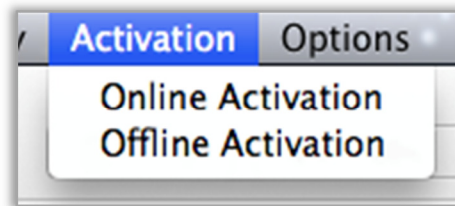

This will display a confirmation message that your "software is activated". It also sends an email on the address registered with the Order-ID along with activation

key. Please keep this email with you because you will be required this activation key on subsequent activation attempts of the software.

### Offline/Manual Activation:

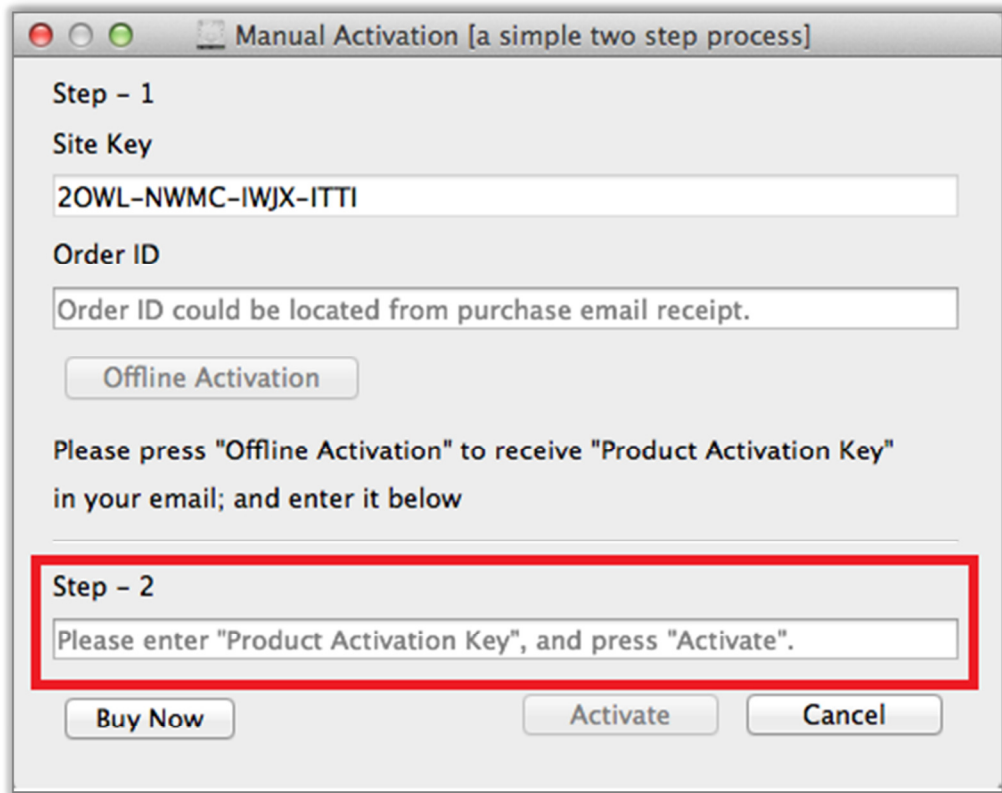

If you have the activation email then you can use the activation key to activate your software offline.

#### Step 1:

In the **Activation** menu click **Manual Activation**. A pop-up will appear on the screen.

## Step 2:

The image shows a 'Manual Activation' dialog box with a title bar that reads 'Manual Activation [a simple two step process]'. It is divided into two sections. The first section, 'Step - 1', contains a 'Site Key' field with the value '2OWL-NWMC-IWJX-ITTI' and an 'Order ID' field with the text 'Order ID could be located from purchase email receipt.'. Below these is an 'Offline Activation' button. A message states: 'Please press "Offline Activation" to receive "Product Activation Key" in your email; and enter it below'. The second section, 'Step - 2', is highlighted with a red border and contains a text field with the instruction 'Please enter "Product Activation Key", and press "Activate".'. At the bottom of the dialog are three buttons: 'Buy Now', 'Activate', and 'Cancel'.

Step - 1
